The Freetown Board of Selectmen has learned that the Amazon Distribution Center on Innovation Way, expected to begin operations in the fall, is about to begin hiring workers.

Jobs will be posted and applications will be available on July 23. Applicants with successful applications and assessments will be invited to hiring events Amazon will be hosting later this summer. Please check back for exact dates once they are available.

The company will be hiring fulfillment associates, warehouse positions to receive, stow, pick, pack and ship orders to customers. Supervisory positions are handled through recruiting at this time, and can be found online at [amazondelivers.jobs](http://amazondelivers.jobs).

Please check back to the Town of Freetown's website, [freetownma.gov](http://freetownma.gov). We will pass along any information we have about these great jobs for town residents at Amazon, along with links to places to get more information.
